## CALVARY CHAPEL

MELBOURNE • VIERA • SEBASTIAN

**Pastor Mark, our Campus Pastors, and our entire church staff are glad to be able to worship with you in-person.**

As you prepare to come to church, here's what you can do – and what the church is doing – before, during, and after each worship service to ensure the comfort and safety of our congregation and guests.

### WHAT YOU CAN DO

#### **Determine if you are in a high-risk group.**

If you have underlying health conditions, we encourage you to continue worshipping with us online.

#### **Face Masks & Hand Sanitizer**

Face masks are highly encouraged. Hand sanitizer stations will be available if you do not have your own.

#### **Bring a Bible, pen and bottled water.**

Bibles will not be handed out, the Common Grounds Café will be closed and water fountains will not be available.

#### **Practice social distancing.**

We know you want to greet people, but avoid handshakes and hugs and maintain a 6 foot distance from others. Wave and smile with your eyes! Socialize with others outside of the building while remaining 6 feet apart.

#### **Masks are required.**

As a courtesy to others, masks are required to be worn for the duration of all services, activities, and groups held onsite at any of our Calvary Chapel campuses.

#### **Directed seating by Guest Services**

When you arrive, wait for a Guest Services team member to direct you to a seat. If you have a favorite area to sit, make sure to enter the sanctuary through the doors closest to that area.

#### **Share and apply what you heard!**

What did God show you in the teaching? What can you apply to your life now, and what can you share with others?

#### **New Believers**

Pray for those who made professions of faith for the first time or rededicated their life.

### WHAT CALVARY CHAPEL WILL DO

#### **Adjust Sanctuary seating.**

The Sanctuary at each campus will be adjusted to enable appropriate social distancing. Rows of seats will either be blocked off or removed.

#### **Enable social distancing.**

Each campus will take measures to encourage and maintain social distancing. Look for any directions given when you arrive.

#### **Pray for those who will gather for worship.**

We will pray for those gathering in person and online. We'll ask God to speak clearly to you as you worship Him through music, prayer, giving and the studying of His Word.

#### **Hand Sanitizer**

Hand sanitizer will be available throughout the building.

#### **Kids' & Nursery**

Kids' services will resume July 25 & 26 for 5th and 6th grades at our Melbourne and Viera campuses. August 8 & 9 for 3rd and 4th grades at all campuses and August 22 & 23 for 1st and 2nd grades at all campuses. Dates are subject to change. #### **Clean and sanitize frequently touched surfaces.**

#### **New Believers**

For those who made professions of faith for the first time or rededicating their life, we will provide information and resources to guide them in their new walk with Christ.
